- **Item 1 – Resignation of board member Dianne Anderson**
- **Item 2 – Review of ATNA bylaws, Lillian Erwin**
Several items were addressed regarding meetings, potential changes and member positions. Since many of the members had not yet reviewed the Bylaws, additional review is tabled until the September meeting.
- **Item 3 – Treasurers Report, Bill Lindekugel**
- **Item 4 – General Meeting**
We need to have a Meeting in the fall, it will have to be via Zoom and it will be on October 20, 2020. Bill and Jessy will work on how to put the information on our signs to inform the neighborhood. We will also use Nextdoor, Facebook and our website. Bill will check to see how many can be accommodated on the Zoom account.
- **Item 5 – Traffic**
We still have problems with speeding on Shaver and Fremont. Many on the board would like to see speed bumps on these streets. It was noticed there was some sort of traffic “counter” on 141st at near Failing. Jessy will check on that.
- **Item 6 – Events Update, Katie Beymer**
All events cancelled this year due to COVID-19 pandemic.
- **Item 7 – New Business**
Jessy inquired about an idea to hold a cleanup event for Argay residence to pick up trash around the neighborhood with the ATNA supplying trash bags and gloves. This may be a liability issue. Katie will check to see if this is feasible.
- **Item 8 – Good of the order, Lillian Erwin**
Support our local restaurants and businesses!

The meeting was adjourned at 8:06 p.m.
Respectfully submitted,

Deanne Englund, Vice President
